ABOUT US

The Okoboji Foundation is the community foundation for the Iowa Great Lakes. Founded in 1988, the Okoboji Foundation stewards over \$40 million in charitable family funds, nonprofit organization funds and unrestricted granting funds for community good.

OKOBOJI FOUNDATION PARTNERSHIPS

The Okoboji Foundation has unique partnerships with individuals, families, businesses, and local nonprofit organizations to provide leadership and build beneficial partnerships. Donors can create their own charitable fund; keeping their dollars local and making an impact where it matters.

Area nonprofits partner with the Okoboji Foundation to raise endowed funds in support of their mission, take advantage of back-office support, as well as seek grant funds from the Okoboji Foundation's annual grant cycle. Being committed to steward donors and support area organizations impacting the Lakes Region allows the Foundation to connect donors with causes they care about.

OKOBOJI FOUNDATION SUMMER CELEBRATION

As the premier event of the summer season, the evening celebrates the charitable stories that capture the impact of our donors. It also serves as an opportunity to invite newly inspired philanthropists to join in the foundation's mission.

Funds raised through event sponsorships are designated to the Foundation's granting and operations funds. Since these funds are endowed, the Foundation uses a portion of the funds to invest in vital capital projects each year. The remainder of the funds, and additional donations, are reinvested to ensure continued growth and maximum impact. Your donation today impacts the Lakes Region today and forever.
