The Dollywood Foundation

The Dollywood Foundation (DWF) was founded in 1988 by Dolly Parton originally to inspire children in her home county to achieve educational success and decrease high school dropout rates. Today, the Foundation's mission is to **share the life and legacy of Dolly Parton as an inspiration for children to Dream More, Learn More, Care More, and Be More.**

Inspire

A Love Of Reading

In 1995, inspired by her father's inability to read or write, Dolly Parton launches the Imagination Library to foster an early love of reading and learning in her hometown in Sevier Co., TN. Since then, it has become the highest quality, most impactful, instantly recognized book gifting resource that policy makers, funders, early childhood organizations and families trust **to inspire a love of reading.**

Imagination Library operates in 5 countries: United States, Canada, United Kingdom, Australia and Republic of Ireland.

"You can never
get enough books
into the hands of
enough children."
